

Abdullah Akhtar

SUPPLY CHAIN & OPERATIONS

BBA (Hons) candidate with hands-on experience turning operational requirements into organized execution. Experience spans scheduling, KPI reporting, incident escalation, and process improvement in a UK client environment. Seeking an entry-level opportunity to contribute from day one and grow through responsibility. Targeting roles in Operations, Project Management, and Supply Chain.

PROFESSIONAL EXPERIENCE

Operations Controller

Dec 2024 – Jun 2026

H-Tech, Karachi (Deployed to support UK-based SGC Security Services account)

- Coordinated day-to-day scheduling and resource allocation for frontline security personnel.
- Prepared operational reports, KPI summaries, shift documentation, and performance updates.
- Served as a key coordination point for client requests, translating operational requirements into actions.
- Monitored compliance with company policies, contractual requirements, and UK security standards.
- Managed incident reporting and escalation, supporting prompt resolution.
- Supervised staff rotas, attendance, and on-ground personnel coordination.
- Identified and implemented improvements to scheduling, reporting, and communication workflows.
- Analyzed operational data to identify trends and improve service efficiency; liaised with vendors.

Management Trainee

Aug 2024 – Nov 2024

Sizzlers S.M.C.H.S., Karachi

- Completed a hands-on rotation across guest relations, reservations, service floor operations, and inventory management.
- Worked with senior managers and head chefs to coordinate front-of-house and kitchen operations.
- Supported staff supervision and training while developing leadership and customer engagement skills.
